

# JUSTIN TAYLOR SLOCUM

(413) 847-0072 • justintaylorslocum@gmail.com

## EDUCATION

---

### **Western New England University**

*Bachelor of Science, Computer Science*

*GPA: 3.33, Dean's List, Scholarship Recipient*

**Jan 2019 - (Expected) Dec 2020**

### **Springfield Technical Community College**

*Dean's List*

**Jan 2015 - May 2018**

## PROJECTS

---

### **Bear Necessities Market (Ongoing)**

- Collaborating with other students for a CS Capstone project to create an online ordering system for the WNE food pantry. I am creating the Front-End for a Fill Order Screen which utilizes React and JavaScript.

### **Bloom (Ongoing), Java**

- An Android App being created in Android Studio for tracking goals efficiently.

### **SmoodooPlug, JavaScript, HTML, CSS**

- Developed an extension for Google Chrome that builds upon the UI for the popular music sharing website Plug.dj that adds a wide array of additional features to the site - including full page customization.

### **Connect 4, Java**

- Created a Java recreation of the popular board game Connect Four.

## SKILLS/TECHNOLOGIES

---

- **Very Experienced in Java, JavaScript, HTML and CSS**
- **Some experience in C, C#, C++, Visual Basic, Python and SQL**
- **Libraries/Frameworks: React, JQuery, .NET Framework**
- **Have experience working in an Agile environment (Scrum)**

## WORK EXPERIENCE

---

### **Technology Sales Associate**

*Staples, West Springfield, MA*

**March 2017 - Jan 2019**

- Utilized knowledge of technology to service customer PC's by diagnosing issues and performing repairs.
- Worked with members of my department to manage a daily flow of customer orders.
